

Paediatric First Aid Training for Early Years

One-Day Blended Course with E-Learning

Outline

This innovative course blends one day of **In-House** practical training with 6hrs of **E-Learning**. We use the latest training techniques to maximise recall and provide learners with the skills, knowledge and confidence to act effectively when paediatric emergencies arise.

Location & Duration

Stage 1 One-Day Practical Training: This takes place **at your setting** on a date / time of your choosing

Stage 2 6hrs Interactive E-Learning: This stage is completed via any internet device, at any location

Numbers

There is no limit to the number of learners you may include - and staff unable to attend may be eligible to receive **FREE** training at one of our local training centres via our **Training Credits Scheme**. Contact us for details.
