

In-House First Aid for Schools Course (FAFS1)

Course outline

Our First Aid for Schools Course is the ideal solution for teachers and support staff and covers a wide range of first aid emergencies that could potentially arise in school settings.

This 6 hour course is presented **In-House** at your school, under the guidance of our specialist First Aid for Schools trainers and uses the latest training techniques to maximise learner recall and confidence.

The course is very flexible and enables ALL your staff to train on the same day (as staff working with children under 5 years, go on to complete our unique Paediatric e-learning module enabling you to meet OFSTED / EYFS requirements).

Who is the course suitable for?

- Teachers of all levels
- Administrative staff
- Support staff
- Students / temporary teachers
- Learners of all confidence levels

Course contents

The role of the first aider / Managing an Emergency / Communication and Casualty Care / The Primary Assessment / Resuscitation techniques / Recovery / Choking / Seizures / Shock / Bleeding / Burns & Scalds / Fractures / Asthma / Allergic Reactions / Head Injuries / Poisoning. The course ends with a written assessment.
