

Emergency Paediatric First Aid Course (EPFA)

One-Day (6hr excluding breaks) Practical Course

Outline

The content/guidelines for the New Emergency Paediatric First Aid Course (EPFA) has been set by the Department for Education and covers the very basic paediatric first aid protocols. Under the new guidelines a setting is required to carry out a risk assessment and ensure that an adequate number of staff also hold the Full Paediatric First Aid.

Tigerlily Training use scenario based training as these training techniques are proven to maximise recall and provide learners with the skills, knowledge and confidence to act effectively when paediatric emergencies arise.

Location & Duration

Emergency Paediatric First Aid Course: 6hrs Tutor Led Practical Training. At your setting or at any of our venues across the UK.

Numbers of Learners per Trainer

As per guidelines we restrict our courses to 12 learners per trainer. Although there is no limit to the number of learners you may include as we can book multiple trainers to attend.

Training Credits

If Staff unable to attend an in-house course you may be eligible to receive FREE training at one of our local training centres via our Training Credits Scheme. Contact us for details.
