

Full Paediatric First Aid - Blended

One Day (6 Hour) Practical & One Day (6 Hour) eLearning

Ofsted Suitable

Training Centre

eLearning

Overview

This innovative course blends **6hrs** of **practical** training, at one of our training centres, with **6hrs** of **eLearning**. We use the latest training techniques to maximise recall and provide learners with the skills, knowledge and confidence to act effectively when paediatric emergencies arise.

What to expect

- Comprehensive trainer-led practical training day
- Fully interactive eLearning
- Free online annual refresher
- Professional, qualified, and dynamic trainers
- Suitable for new or experienced first aiders
- Fully certificated for 3 years
- Free manual sent with certificate

Location, Duration, and Numbers

- **Practical Day;** This starts at 10am and ends at approximately 5pm. See our website for local venues and dates.
- **eLearning;** This stage is completed via any device with internet and takes approximately 6hrs to complete. eLearning must be completed within 4 weeks of your practical training day.

Refresher Training

The HSE recommend learners update their skills annually. Tigerlily Training provide **free online refresher** training.
