

AED + Basic Life Support

3 Hour Course

3 Hrs

In-House

Overview

This **3 hour** Basic Life Support course will give you with the confidence to act quickly and effectively if someone has a cardiac arrest, and will provide you with the skills to help a choking casualty.

This course is great as a supplement to your current first aid training however, **it does not meet the risk assessment needs or FAW/EFAW qualified first aiders**, as per **HSE guidelines**.

Tigerlily Training use scenario based training techniques as these are proven to maximise recall and provide learners with the skills, knowledge and confidence to act effectively when emergencies arise.

What to expect

- Flexible start / end times to suit you
- Certificate of Achievement
- Professional, qualified, and dynamic trainers
- Suitable for new or experienced first aiders
- Fully certificated for 3 years

Location, Duration, and Numbers

This 3 hour Tutor Led Practical Training course is held at your place of work.

As per HSE guidelines we restrict our courses to **12 learners per trainer** - although there is no limit to the number of learners you may include as we can supply multiple trainers.

Refresher Training

The HSE recommend learners update their skills annually. Tigerlily Training provide **free online refresher** training.
