

CTQ L3 Award in First Aid for Schools

About this Course

This course offers a regulated First Aider Qualification for those working in primary and secondary education. This course delivers the required content for both an EFAW qualification and Paediatric (excluding infant protocols). Those working in Early Years can upgrade with eLearning and additional 30 minutes of face to face training.

(This course covers first aid protocols for age 1+ years to adult)

Availability

Training will take place at your school on a date that suits you. Please book early for inset day training.

Assessment

Learners will be continuously assessed throughout the course and need to complete a final MCQ (multiple choice questionnaire).

Refresher Training

The HSE recommends learners update their skills annually.

Certification

On completion learners receive a First Aid for Schools Qualification Certificate.

Your certificate will comply with the guidance provided by the HSE (first aid) regulations 1981 and the Department for Education for first aid in schools and further education 2022. Learners in early years can complete our e-learning module to comply with the EYFS guidance 2025.

Tigerlily Training are a CTQ accredited training centre.
